NATIVE AND DROUGHT TOLERANT GARDENING 101

410F18

\$23

Heritage Gardens are landscaped areas designed to promote the use of native plants, especially those of cultural significance; promote low-water use landscaping and efficient irrigation methods. Native plant gardens are also pollinator friendly and help to provide food and shelter to wildlife. This a "must" class for homeowners who want to save money on water bills as well as fertilizer and all the other costs associated with traditional lawn and garden care. The Heritage Garden was developed by the Benton and Franklin Conservation Districts, in partnership with the Columbia Basin Chapter of the Washington Native Plant Society.

Saturday, Oct. 6 9 a.m. - 12 p.m.
Kamiakin HS Rm. 442 Ann Autrey

DEVELOPING A GARDENING SCHEDULE

408F18

\$15

Do you wonder where to start or how to keep track of what you have done in your garden? There are many pieces to the puzzle in gardening, with daily, weekly, monthly, and semiannual jobs. When well organized, tasks can be done efficiently and effectively. In this class, you will create your own flexible template of to-do lists so you will be able to get through these jobs with less stress and time wasted.

Tuesday, Oct. 16 6 - 7:30 p.m.
Southridge HS Rm. B104 Patricia Holten

SCIENCE, NATURE & HISTORY

EXPERIENCE AVIATION HISTORY IN THE TRI-CITIES!

702F18 \$23

Did you know the Tri-Cities Airport was originally the Naval Air Station (NAS) Pasco? Discover how our community was transformed when it became home to the third busiest Navy training base in the United States during World War II. Learn how many young men earned their pilot wings at NAS Pasco, the naval aircraft they flew, whether women were allowed to work on the base, the history of Bombing Range Road in West Richland, the eventual fate of the naval station, and what makes our air traffic control tower unique. Bring your camera, your walking shoes and your leather flight jacket (optional) and experience our amazing and inspiring aviation history.

Saturday, Oct. 13 9 a.m. - 12 p.m.

Bergstrom Aircraft, Inc.
4102 N. Stearman Ave., Tri-Cities Airport, Pasco
Malin Bergstrom

THE HOUSES HANFORD BUILT – RICHLAND'S ALPHABET HOUSES

703F18 \$17

Explore Richland's unique architectural past with local historian Richard Nordgren. Richard will discuss the social history that formed the City of Richland during the government ownership era and share interesting information about the different types of housing and when, where and why they were built. Learn about the Gold Coast, the 'Miracle Mile,' the house where the creator of Dupus Boomer lived, and more. In the spring session, Richard will lead three distinct walking tours of the neighborhoods that you don't want to miss. This class is perfect as a tour preview or for those unable to attend a walking tour.

Wednesday, Nov. 14 6 - 8 p.m.
Kamiakin HS Library
Richard Nordgren

HIKING EDUCATION
