TECHNOLOGY

IPHONE 101

100S18 \$17

Whether you just purchased your first iPhone or you just can't quite get it right with the one you've owned for years, this class is for you. Learn the basics of how to navigate your device, how to set and change settings, and how to use standard features to help you get the most out of your iPhone. **Bring your iPhone to class.**

Tuesday, Apr. 10
Southridge HS Rm. B104
Dee Boyle, Windermere Group One

6-8 p.m.

ANDROID SMARTPHONE & TABLET BASICS

101S18 \$17

Did you upgrade to a smartphone or tablet and are now unsure if that was a wise decision? Learn how to decipher the basic functions of your device along with some helpful tips and tricks. Class demonstrations will be conducted. Other models of devices, while similar, will have variations.

Tuesday, Mar. 27
6-8 p.m.
Horse Heaven Hills MS Rm. 301 Ryan Bennett

INTRODUCTION TO EXCEL

102S18 \$59

This four-session class will take the student with little or no Excel experience to understanding the elements of Excel through developing their first spreadsheets and charts. Formatting, data setup, data arrangement, and basic functions for use in everyday applications will be covered. Students must have basic Windows and PC skills. **Bring a USB drive to save work for review between and after classes.**

Tuesdays/Thursdays, Feb. 13-22
6:30-9 p.m.
Kennewick HS Rm. 123 Gary Greene

EXCEL II

103S18

\$59

Build on the concepts you learned in a previous Introduction to Excel course. This class will take a closer look at the nine object types on the INSERT Tab and how each might be used to enhance the user's workbooks. File options, page layout, data importing and exporting, and control will be covered along with functions designed to expand the student's toolkit. **Bring a USB drive to save work for review between and after classes.**

Tuesdays/Thursdays, Apr. 10-19 6:30-9 p.m.
Kennewick HS Rm. 123 Gary Greene

PHOTOGRAPHING SPRING STORMS

104S18

\$17

Springtime brings stormy weather to the inland Pacific Northwest, and that means great opportunities to photograph those busy skies. Veteran storm chaser and photographer Scott Butner will provide tips on how to photograph dramatic weather, from lightning storms to rainbows, and get striking results.

Tuesday, Mar. 13 6-8:30 p.m.
Kamiakin HS Library
Scott Butner, *Scott Butner Photography*

INTRODUCTION TO COMPUTERS

\$89

Learning to use a computer? This class introduces first-time computer users to common computer terms and features. Students will get hands-on experience in using Microsoft Word, the Internet, web searches, email, and more!

Mondays, Apr. 9-30 5-7 p.m.
Kamiakin HS Rm. 525 Angie Matte

FACEBOOK FOR BEGINNERS

106S18

\$29

Want to join the more than one billion people on Facebook? Learn how to create your personal profile, set your security parameters and use various features of the world's largest social media network. If you already have an existing Facebook account, please test your password before attending.

Saturday, Mar. 24 12-4 p.m.
Kamiakin HS Rm. 525 Jessica Gollinger

LINUX COMPUTER OPERATING SYSTEM

107S18

\$17

Does that operating system you currently use work for you? Are you constantly battling viruses, crashes, costly repairs, and licensing fees? Linux is one of the most reliable, secure, and worry-free operating systems available and has zero cost of entry. You will learn by visual demonstration how to install and use Linux as an inexpensive alternative to Windows or other operating programs.

Wednesday, May 9 6-8 p.m.
Southridge HS Rm. B104 Dennis Arter

AUTODESK SKETCHPAD

108S18

\$17

Did you know that you can create amazing art with just your finger on your smartphone or tablet? Learn how to with the Autodesk Sketchpad app. This course will cover the basics of this app and how to create unique digital art. Participants should bring their own device with the free app pre-installed. **See optional supply list on the Community Education website.**

Tuesday, Apr. 24 6-8 p.m.
Horse Heaven Hills MS Rm. 301 Ryan Bennett

INTRODUCTION TO PHOTOGRAPHY

109S18

\$69

Take your interest in digital photography to the next level. Over a series of classes, you will explore the basic photographic techniques and artistic concerns involved in making photographs through lectures, demonstrations and hands-on exercises. Camera handling, composition, effective use of light, file management, and developing a photographic vision will also be covered. Students entering the class must have a digital camera with aperture priority, shutter priority and exposure compensation. **Bring digital camera and manual to class.**

Wednesdays, Mar. 7-Apr. 18 6:30-8:30 p.m.
(No class Apr. 4)
Kamiakin HS Rm. 525 Mike Crow

INTERNET SAFETY

110S18

\$17

Learn how to protect yourself, your device and be safe on the worldwide web. This class will provide smart moves and measures to take regarding privacy, identity theft and cyberstalking to go along with your own awareness so you can safely use the Internet. All information applies to desktop computers, laptops, tablets, and smartphones.

Wednesday, Mar. 28 6-8 p.m.
Kennewick HS Rm. 407 Dennis Arter

ORGANIZING PHOTOS ON YOUR COMPUTER

111S18

\$17

Learn tips and tricks on how to organize your photos for easy access, retrieval and storage. Editing, sorting, deleting, and proper folder storage will be covered. Practice photos will be supplied.

Saturday, Apr. 21 9-11 a.m.
Kamiakin HS Rm. 525 Jessica Gollinger

Kennewick HS Library

Tamie Jamison

ARTS & CRAFTS

INTRODUCTION TO KNAPPING

306S18 \$29

Knapping is the physical art of making stone cutting tools (arrowheads, stone scrappers, drills, knives, etc.). You will learn how to use percussion techniques to create large spalls and thin and shape those spalls to preforms. Pressure flaking of the preforms is then used to refine the shape and make notches, if desired. **Each student is required to bring protective eyeglasses or goggles, wear closed toe shoes and gloves to every class. A toolkit will be provided. Pay instructor \$30 supply fee.**

Tuesdays, Mar. 6 & 13 6-8 p.m.
Southridge HS Rm B124 Steven Sontag

PAINTING SCARVES AND CERAMIC WITH ALCOHOL INKS

307S18 \$19

Learn to make one-of-a-kind art with alcohol inks. You will paint two silk scarves and one ceramic tile which can be displayed as artwork or used as a coaster. If you'd like to paint more than this, or something different such as a pillar candle or glassware, feel free to bring your own additional objects and a box or box top so you can carry your projects home. Alcohol inks are a messy medium, and while gloves are provided, please plan to bring an over-shirt or an apron. **Pay instructor a \$20 supply fee.**

Saturday, Feb. 24 10 a.m.-12:30 p.m.
Southridge HS Rm. D124
Chris Blevins, *Chris Blevins Watercolors*

WHITE DAISIES ORIENTAL TORN COTTON PAPER ART

308S18 \$17

This class is for the beginner looking to create art using the torn cotton paper technique. This project makes a pretty addition for home or a unique gift. **View class project on Community Education website. Pay instructor \$5 supply fee.**

Thursday, Mar. 1 6:30-8:30 p.m.
Kamiakin HS Rm. 432 Eva Hsia-Elwell

SEASHORE ORIENTAL TORN COTTON PAPER ART

309S18 \$17

This stunning project piece is for the advanced student, made using an advanced torn cotton paper technique. This beautiful piece will compliment a room in any home. **View class project on Community Education website. Pay instructor a \$5 supply fee.**

Thursday, Apr. 26 6:30-8:30 p.m.
Kamiakin HS Rm. 432 Eva Hsia-Elwell

OIL AND ACRYLIC PAINTING

310S18 \$29

This workshop is designed for either beginners or accomplished artists eager to develop their skills. Learn oil and acrylic painting by reducing the process to the basics. The lesson will concentrate on mixing colors using a limited palette for a painting ready to hang upon completion. The instructor will set up a still life to paint but you may bring in your own subject matter or photograph to paint from. [View supply list on Community Education website.](#)

Saturday, Apr. 21 9 a.m.-1 p.m.
Kamiakin HS Rm. 442 Patrick Fleming

DRAWING FUNDAMENTALS

311S18 \$29

Learn the fundamentals of drawing. Train your hand and eyes to work together to draw what you see. Everything is covered: line, shape, form, and perspective with practical examples and constructive exercises. Students are encouraged to bring a photograph they would like to draw as well as their imagination. [View supply list on Community Education website.](#)

Saturday, Mar. 24 9 a.m.-1 p.m.
Kamiakin HS Rm. 442 Patrick Fleming

OIL PAINTING FOR BEGINNERS

312S18 \$59

Create your own style of art by exploring oil painting. This class is for anyone who wants to learn to paint and have fun doing it. Bring a photo or drawing to class showing what you would like to learn to paint. Popular examples are animals, flowers or landscapes. [View supply list on the Community Education website.](#) Participants choose canvas size. Additional supply information will be discussed at the first class.

Tuesdays, Mar. 6-Apr. 10 6-8 p.m.
(No class Apr. 3)
Kennewick HS Rm. 104 Tanna Scott

SPLASH WATERCOLORS WITH SUZI

313S18 OR 314S17 \$23

This class is designed for the adult beginner and is relaxed and easy, so you can't help but enjoy yourself. New projects each month. Sign up for one or all. This is the perfect way to try out watercolor painting for the first time. If you haven't painted in a while, it might inspire you to paint again. [View class projects and supply lists on Community Education website.](#) Pay instructor \$20 supply fee.

Kamiakin HS Rm. 432 Suzi Vitulli, *Suzi Vitulli Art*

Mike Crow, KVEW

BEGINNING GUITAR

610S18

\$59

Bring your acoustic guitar for a fascinating exploration of rhythm and music. No experience necessary – all you need to be able to do is strum and pick. We'll start from the ground up and take a look at Latin rhythms, styles of the Western tradition, mind-bending modern approaches, and more. Whether you are into soloing, accompanying another player, writing, or even just a lover of music, you will be exposed to all sort of new ideas and sound to inspire you! **Must bring acoustic guitar. Ages 12+.** All other materials provided.

Tuesdays, Mar. 6-May 6 6-7 p.m.

(No class Apr. 3)

Kamiakin HS Rm. 179

6-7 p.m.

Burke Earhart

DYSFUNCTIONAL IS FUN...WHEN YOU'RE WRITING!

611S18

\$15

Learn from a published author how to make the characters in your fiction writing a little more dysfunctional. Surmount the challenge of adding depth to a character's profile so they better reflect the human condition of imperfection. Get out of your comfort zone and get down with victims and persecutors, martyrs and saviors. Discover how interactions and dialogue illustrate character quirks and keep readers on the edge of their seats. Bring paper and pen and prepare to practice.

Thursday, Apr. 26

Southridge HS Library

6:30-8 p.m.

Betsy Dickinson

SCIENCE, NATURE & HISTORY

THE HOUSES HANFORD BUILT: WALKING TOURS

700S18, 701S18, 702S18

\$17

Explore Richland's unique architectural past with host Richard Nordgren through three different walking tours of neighborhoods known for their historic Alphabet Houses. The tours will provide glimpses into the social history that formed the City of Richland during the government ownership era. **Sturdy walking shoes are recommended. Starting locations will be emailed Thursday before each class.**

9-11 a.m.

Richard Nordgren

TOUR 1: SOUTH RICHLAND

700S18

Saturday, May 5

Explore these quiet narrow, street neighborhoods that are a potpourri of Alphabet Houses designed to meet the needs of a fast-growing city of government workers during WWII.

TOUR 2: THE GOLD COAST

701S18

Saturday, May 12

The Gold Coast has its own set of lettered houses that were home to early Richland's upper crust. Walk includes backyard glimpses from the "Miracle Mile" and the house where the creator of Dupus Boomer lived. In the adjacent neighborhood, many of the houses have retained much of their original appearance. A section of this walk is on the National Historic Register.

TOUR 3: CENTRAL RICHLAND

702S18

Saturday, May 19

From World War II to the Cold War, these neighborhoods reflect a change in social dynamics and city planning. See original exteriors to uniquely remodeled and redesigned houses that cast doubt on their original footprint.

SCIENCE, NATURE & HISTORY

FORENSIC SCIENCE: DEATH INVESTIGATION

703S18 \$21

Learn about the science of death investigations. Understand the range of deaths the coroner's office is responsible for investigating, including natural deaths, accidents, homicides, and suicides. The coroner also investigates hospital deaths when the decedent was hospitalized less than 36 hours. This class will begin with an introduction to what the Benton County Coroner's Office does and its investigators look for at a death scene. The class will be held in the Benton County Coroner's Office where you will get the inside scoop on just how it all comes together.

WARNING: Ages 18+ Graphic images from Forensic Pathology textbooks will be used in the presentation.

Monday, Apr. 16 6:30-8:30 p.m.
Roy McLean, Chief Deputy Coroner, Benton County
County Coroner's Office
7011 W. Okanogan Pl.

EXPERIENCE AVIATION HISTORY IN THE TRI-CITIES!

704S18 \$23

Did you know the Tri-Cities Airport was originally the Naval Air Station (NAS) Pasco? Discover how our community was transformed when it became home to the third largest Navy training base in the United States during World War II. Learn how many young men earned their pilot wings at NAS Pasco, the naval aircraft they flew, whether women were allowed to work on the base, the history of Bombing Range Road in West Richland, the eventual fate of the naval station, and what makes our air traffic control tower unique. Bring your camera, your walking shoes and your leather flight jacket (optional) and experience our amazing and inspiring aviation history.

Saturday, Apr. 21 9 a.m.-12 p.m.
Malin Bergstrom, Bergstrom Aircraft, Inc.
4102 N. Stearman Ave.
Tri-Cities Airport, Pasco

HANDWRITING ANALYSIS 101

NEW!

705S18

\$17

Handwriting analysis, also known as graphology, has been around since the invention of writing. You will learn the basics of a standard analysis as well as look at some interesting aspects such as signature analysis. You probably don't sign a love letter the same way you do a check for a bill! We will do some hands-on work in class to practice what is learned. This class is packed with information so be prepared to take notes.

Bring a pen or pencil for activities.

Tuesday, Apr. 24
Southridge HS Rm. B104

6-8 p.m.
Lacy Warfel

BEGINNING SNOWSHOEING

706S18

12

Tired of being cooped up all winter long? Try snowshoeing to enjoy the winter wonderland here in the Pacific Northwest. If you can hike, you can snowshoe! The class will cover the equipment needed, where to get it, proper clothing, physical fitness requirements, and potential conditions that may be encountered in the mountains during the winter months. View scenic slides to spark your wanderlust while learning the do's and don'ts when walking on snow and where to go.

Tuesday, Feb. 20
Southridge HS Rm. B120
Chuck Wierman, InterMountain Alpine Club
6-7 p.m.

TRAVEL & LEISURE

INTRO TO FLY CASTING

800S18

\$35

This class is designed to introduce students to fly fishing and prepare them for their first fly fishing outing. The Columbia Basin Fly Casters will help with selecting the right gear and flies, preparing the gear, tying the right knots, fly casting, and provide information on nearby lakes and streams for new fly fishers. Attendees should bring their favorite fly rod (if available), otherwise loaners will be available for the class. **Bring a sack lunch.**

Ages 14+

Saturday, Feb. 24

Southridge HS Gym

Rich Holten, *Columbia Basin Fly Caster*

9 a.m.-3 p.m.

LET'S FISH!

801S18

\$15

What are the 10 most popular sport fishes in the Tri-Cities area? Fisheries biologist and author Dennis Dauble will be sharing information about their life history, migration timing (if they migrate) and distribution (i.e. where some of the more popular fishing areas are). Dennis will also address the effects of long, hot weather on rivers and fish population. Our instructor's two books, "Fishes of the Columbia Basin" and "Barbless Hook," will be available for purchase at a discount, if desired.

Saturday, Apr. 21

Kamiakin HS Rm. 510

10-11:30 a.m.

Dennis Dauble

PREPARING FOR INTERNATIONAL TRAVEL NEW!

802S18

\$17

In this class, you will discover how to increase the fun of travel while minimizing risk. While aimed for those traveling by themselves or with a partner, these steps can also help to make a cruise trip more enjoyable as well. Information will cover both business and pleasure trips outside of North America.

Wednesday, Apr. 25

Kennewick HS Rm. 404

6-8 p.m.

Dennis Arter

BEGINNER'S GUIDE TO AIRBNB HOSTING

803S18

\$17

Like the idea of making a little money with your spare bedroom? Make it a business with home hosting! Airbnb caters to a new generation of travelers looking for a unique experience. The typical Airbnb guest wants home-like ambiance, greater value for their money and increased cultural enrichment. There's never been a better time to become an Airbnb host and take advantage of this rapidly growing marketplace. In this class, you will learn the ins and outs of the business, so you can succeed at being an Airbnb host.

Tuesday, Apr. 24
